Detective Rusnak was assigned to a Homicide Investigation occurring at 1247 W. Roosevelt Road. The victim had been shot once in the chest and subsequently died at Cook County Hospital. The above Detective would conduct an intensive canvass in an attempt to locate witnesses. During this canvass he received information that the victim was named as an offender in an earlier Criminal Sexual Assault, and this shooting may have been in retaliation. Detective Rusnak then located several parties involved in the earlier incident and transported them into Area Four, for interviews. During these interviews, Detective Rusnak was able to elicit valuable information linking one of these individuals to the Homicide. When questioned, the suspect would deny any involvement and stated that he was with his girlfriend at the time the victim was shot. Using his unique investigative skills, Detective Rusnak was able to break the alibi of the suspect and subsequently got him to confess to shooting the victim, in retaliation for this earlier Sexual Assault. Once again Detective Rusnak has proven himself to be a Truly Professional Law Enforcement Officer. Thanks for a job " Well Done ".

City of Chicago Policy on Residency as a Condition of Employment

In order for a City employee to be most effective, he or she must identify with the needs and aspirations of the residents of the City of Chicago. This sense of identification can only be accomplished if the employee is, in fact, an actual resident of the City. As a City resident an employee participates directly in the activities of a neighborhood of the City. This participation and commitment is essential to the development of a strong sense of public service as it relates to the citizens of Chicago. It has been and will continue to be a requirement for City employment that all employees of the City, irrespective of status, shall be actual residents of the City of Chicago. This policy is stated in Section 25-30 of the Municipal Code of Chicago, the Rules of the Department of Personnel and other departmental rules or labor contracts governing particular classes of employees. It is essential that this policy be applied uniformly to all employees in all departments. It is the responsibility of every department head to ensure that this policy is carried out. A department head shall take immediate action for the discharge of any employee not in compliance with the requirement that he/she be an actual resident of the City of Chicago.

Any request for assistance in the implementation of this policy should be directed to the Commissioner of Personnel.

For your information, an opinion of the Corporation Counsel states in part: "...actual residence has been found to contemplate substantially the same attributes as are intended when the word 'domicile' is used, and a permanent and fixed character is intended."

"...an actual resident has been held to be one who is in a place with the intent to establish there his domicile or permanent residence."

The opinion goes on to say: "...the acquisition of a local address solely for the purpose of claiming it as a residence as a requirement of public employment must be viewed as a subterfuge designed to avoid the obvious objectives of the ordinance. What is required is that the employee actually dwell at the purported residence, not that he have a mailing address at which he may on occasion spend some minimal amount of time, while, for example, his family lives outside the city and his children attend schools outside of the city in which the employed parent purports to reside."

Most recently, the Illinois Supreme Court, in upholding the City's residency requirement, described actual residence as a person's "true, permanent home" and "principal residence [and] domicile."

Detectives Foley, Meier, Rusnak, and Smith obtained information regarding an individual's possible involvement in a kidnapping, sexual assault, and possible murder that occurred two weeks previously. The detectives learned the names of three suspects and the first name of the fourth.

A check with various agencies revealed that the Will County Sheriff's Office had handled a case involving a severely beaten female who was found in an isolated field. This victim had been abducted from 35th and Western Avenue and was presently still hospitalized in Joliet, Illinois.

Upon her release from the hospital, the detectives conducted a photo lineup of the suspects. She was able to pick out the pictures of two brothers as the offenders. These two individuals and two other suspects were all soon placed into custody during three separate arrest situations.

All four of the arrestees and a vehicle that had been seized were positively identified by the victim. Each offender has been indicted by the Cook County Grand Jury of 27 counts of Attempted Murder, Kidnapping, and Aggravated Criminal Sexual Assault.

Officers Pacanowski and Rusnak received information regarding an individual wanted on warrants. They were also told that this individual was in possession of a quantity of heroin, a weapon, and a large amount of currency and could be found in a hotel.

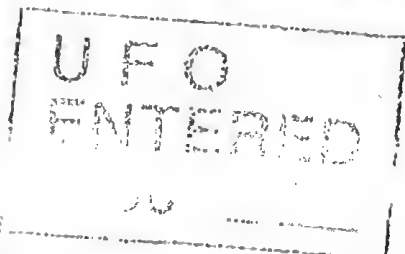

While Lieutenant Bischoff and Sergeant Wiberg went to the hotel to verify this information and gather additional facts, Officers Pacanowski and Rusnak, using identification methods available to them, obtained a photo and the outstanding warrants of the suspect in question.

Now sure that the occupant of the 8th floor room was the individual wanted for the outstanding warrants, the four officers formulated a plan to gain entry. Using Officer Pacanowski as a decoy, they gained entry and observed the wanted individual and two females. Also observed immediately were a quantity of controlled substances, both heroin and cocaine, in clear sight. Also recovered was an unregistered weapon. Shortly after midnight on Christmas Eve a man was shot and killed on the near south side. Shortly thereafter, an armed robbery was committed in a thirty-minute crime spree.

The suspect, identified by a witness in both incidents, was known by Officers Pacanowski and Rusnak through previous incidents. The officers intensified their patrol activities in the vicinity of these crimes, and questioned citizens in the area to obtain further information on the suspect. A short time later, the officers observed the suspect and his female companion in the area, but the officers were unable to apprehend them.

Approximately two weeks after the original incidents, Officers Pacanowski and Rusnak spotted the pair again. As the officers exited their vehicle and announced their office, the suspects fled on foot. This time the suspects were captured and taken to the 12th District for processing.

The persistence of Officers Pacanowski and Rusnak resulted in the male suspect being charged with Murder, Attempted Murder, and Armed Robbery, and his female companion being charged with Attempted Murder and Robbery, Theft, and Violation of Probation.

Sgt. Wagner and Officers Rusnak, Geisbush, Pacanowski, and Davis responded to a radio broadcast of a "woman calling for help" at 1320 W. Arthington and were told by a witness that she had heard screams and commotion coming from a first floor apartment.

The officers knocked on the door and after receiving no answer, found the front door to be open. Upon entering the apartment they found a male offender holding a knife to a woman's throat, with his other hand placed over her mouth. Her hands were tied behind her back and her clothes lay in tattered pieces on the floor.

Upon sighting the officers, the offender fled through a set of patio doors into the backyard and began climbing a seven foot fence. Officer Geisbush fired a warning shot after which the offender dropped the knife. He was immediately apprehended by Sgt. Wagner and Officers Rusnak, Geisbush, Pacanowski and Davis.

After calming the victim, she related that she was unloading luggage from her auto into the apartment and upon completing her last trip, returned to the apartment. The offender, who had slipped unnoticed into the apartment during this time, grabbed the victim, threw her to the floor, displayed a knife and told her he would kill her if she made a sound. It was at this point the officers arrived and saved the victim from any further harm.

Officers James Rusnak and Stanley Kroll, while on patrol, heard a radio broadcast describing the two offenders involved in an armed robbery and shooting in a gas station at 1225 South Ashland. As the officers neared the crime scene, they saw a man, fitting the description of one of the offenders, running away. After a short chase, Officers Rusnak and Kroll caught the man and questioned him. The suspect responded with evasive answers and acted quite nervously. The officers placed the man under arrest and then transported him to the crime scene, where he was tentatively identified by a witness.

At that time, the arrestee admitted that he was involved in the armed robbery but stated that his accomplice had shot the station attendant. Officer Rusnak turned the arrestee over to assisting officers and proceeded to the gunman's residence. Upon arrival they knocked on the door and announced their office. They were admitted into the house, at which time they placed the offender under arrest. The Officers skillfully questioned the arrestee, who told them where he had hidden his weapon. They proceeded to an apartment a short distance away and recovered the murder weapon. Both arrestees were charged accordingly.

INSTRUCTIONS

- HEADING: Indicate whether the formset is being completed to either award an Honorable Mention Certificate or to recommend that another award should be given to recipient(s).
- DISTRIBUTION: When an award certificate is to be given, distribute the original form to the recipient, one copy to the recipient's supervisor and one copy to the Personnel Division for the member's personal file. The fourth box, "copy to the originating commander." is used to inform the originator that his request for another award was disapproved. An Honorable Mention may then be given.
- ROUTING: When recommending that an award other than the Honorable Mention be given, route the completed formset and attachments to the appropriate Bureau Head through the chain of command. When the Bureau Head disapproves or approves the recommendation, he will return one copy of the formset to the originator indicating disapproval or route the formset to the Director of Personnel indicating approval for Department Commendation or recommendation to Awards Committee for other award consideration. When the Director of Personnel receives the formset and a Department Commendation has been approved, he will have the forms distributed according to instructions hereinabove.
- SIGNATURES: Whenever an originating exempt member gives an Honorable Mention Award or recommends another award, he must sign the completed form and indicate his title.
- All other members in the chain of command must indicate approval or disapproval of an award or recommendation for other award by signing and indicating their title before the forms are distributed or the formset is routed further through the chain of command.

THE LAW ENFORCEMENT CODE OF ETHICS

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception; the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession—Law Enforcement.

I have read the foregoing Law Enforcement Code of Ethics and fully understand it. I subscribe to it wholeheartedly and without reservation and pledge that I will abide by it throughout my career as an honored and honorable member of the Chicago Police Department.
